

2026 Tainan International Dragon Boat Championships – Personal Data Provision Consent Form

Notice Regarding the Collection of Personal Data:

Tainan City Government (hereinafter referred to as 'the Government'), in order to comply with the provisions of the Personal Data Protection Act, hereby informs you of the following matters in accordance with the law before you provide personal data to the Government:

1. Due to the organization of the 2026 Tainan International Dragon Boat Championships, the following categories of personal data will be obtained from you: name and contact information (including but not limited to telephone number, E-mail, place of residence or work address), or other information that can directly or indirectly identify you personally.
2. The Government will collect, process, and use your personal data in accordance with the provisions of the Personal Data Protection Act and related laws and regulations, and in accordance with the Government's privacy protection policy.
3. The Government will reasonably use your personal data during the period of the existence of the purpose of collection.
4. Except where the purpose of personal data collection involves international business or activities, the Government will only use your personal data within the territory of the Republic of China.
5. The Government will reasonably use your personal data for the specific purpose for which the data was originally collected.
6. In accordance with Article 3 of the Personal Data Protection Act, you may apply to the Government to exercise the following rights regarding your personal data:
 - (1) Request to make copies.
 - (2) Request to inquire about or review the data.
 - (3) Request supplementation or correction of the data.

(4) Request cessation of collection, processing, or use of the data. (5) Request deletion of the data. If the exercise of the above rights causes damage to your interests, the Government shall not be responsible for related compensation. In addition, in accordance with Article 14 of the Personal Data Protection Act, the Government may charge administrative processing fees.

7. If the personal data you provide is inaccurate, the Government will be unable to provide you with the relevant services for the specific purpose.
8. If the Government entrusts other agencies (units) to process your personal data due to business needs, it will fulfill its supervisory responsibility.
9. You understand that this consent form complies with the requirements of the Personal Data Protection Act and related laws and regulations, and you agree that the Government retains this consent form for future data verification.

Consent to the Use of Personal Data:

1. I have fully understood the above matters notified by the Government.
2. I agree that the Government may collect, process, and use my personal data within the scope of the above matters, and may provide such data for the purpose of administrative assistance requested by other government agencies.
